I ASKED BUNS BILBO ONE DAY WHEN HE WAS BROWSING THROUGH MY BEAU-ART GALERIE SEARCHING FOR AN EROTIC PAINTING IN WHICH TO GIFT A LADY. WHY WAS HE SO POPULAR WITH FEMALES OF ALL AGES, WHAT WAS HIS MAGIC? AND HE REPLIED: "I ALWAYS MAKE MY BEST EFFORT TO SATISFY THEE AND IF I SUCCEED, THEY WILL DO THEIR DAMNEST TO SATISFY ME!"

SO THAT WAS IT! THAT WAS THE KEY! I COULD THEN, WHY HE HAD TO "KEEP 'EM OFF WITH A BASEBALL BAT!"

LATER, I EXPLAINED TO HIM THAT, SINCE I WAS BOTH ARTIST AND AUTHOR, A RARE COMBINATION, AND ADMIRER OF THE MALE PHYSIQUE, HAD LONG SINCE HARBOURED THE IDEA OF COMPILING AN ACCURATE AND ILLUSTRATED BOOK ON LOVE AND SEX BUT NEEDED A MODEL FOR THE PROJECT, AN ARCHETYPE WHO HAD SEX AS AN ART, AND BEFORE I COULD ELABORATE FURTHER I KNEW I HAD FOUND MY PERFECT PARADIGM.

BUNS HAD A PLAY WITH WORDS, A GUILF WHICH MATCHED HIS MOODS, AND A GIFT FOR STORY-TELLING, TALES THAT DID NOT COME FROM BOOKS, BUT THROUGH ONES OWN EXPERIENCE ----

AS BUNS GREW OLDER, MORE EXPERIENCED, HE BECAME MORE SUAVE, POLISHED, GLEANED OF HIS COUNTRY BEGINNINGS. ONE MAY SAY THAT HE BECAME A CONNOISSEUR OF WOMEN, OR, RATHER SEX, FOR HE SWUNG BOTH WAYS, FRANKLY, HE SWUNG IN EVERY DIRECTION!

"IT'S A GIFT," HE ALWAYS EXPLAINED, WITH A FLASHY SHOW OF ANIMAL WHITE TEETH.

SO...THE STAGE WAS SET, READY FOR THE DRAMA TO BE ACTED OUT! I TURNED MY BEAU-ART GALERIE OVER TO MY YOUNG JAPANESE HOUSEBOY, TIRA AKIRA, PROMOTING HIM TO CURATOR, WHILE I HIBERNATED IN A BAMBO SCREENED-OFF AREA OF MY STUDIO. I HAD MY OWN STOREHOUSE OF MEMORIES ABOUT EARLIER SEX DURING MY SKIRT-CHASING DAYS HIDDEN BACK IN A REMOTE NICHE IN MY BRAIN THAT I PULLED OUT FROM TIME TO TIME TO ADD EXTRA SPICE TO MY ILLUSTRATIONS, PLUS SOME RAUNCHY IDEAS FROM SEVERAL SIDE KICKS WHO WERE MORE THAN WILLING TO CONTRIBUTE THEIR OWN PERSONAL BRAND OF FIRSTHAND EXPERIENCE. AND BELIEVE YOU ME, WHEN MEN DISCUSS SEX EVERYONE BECOMES AN AUTHORITY!

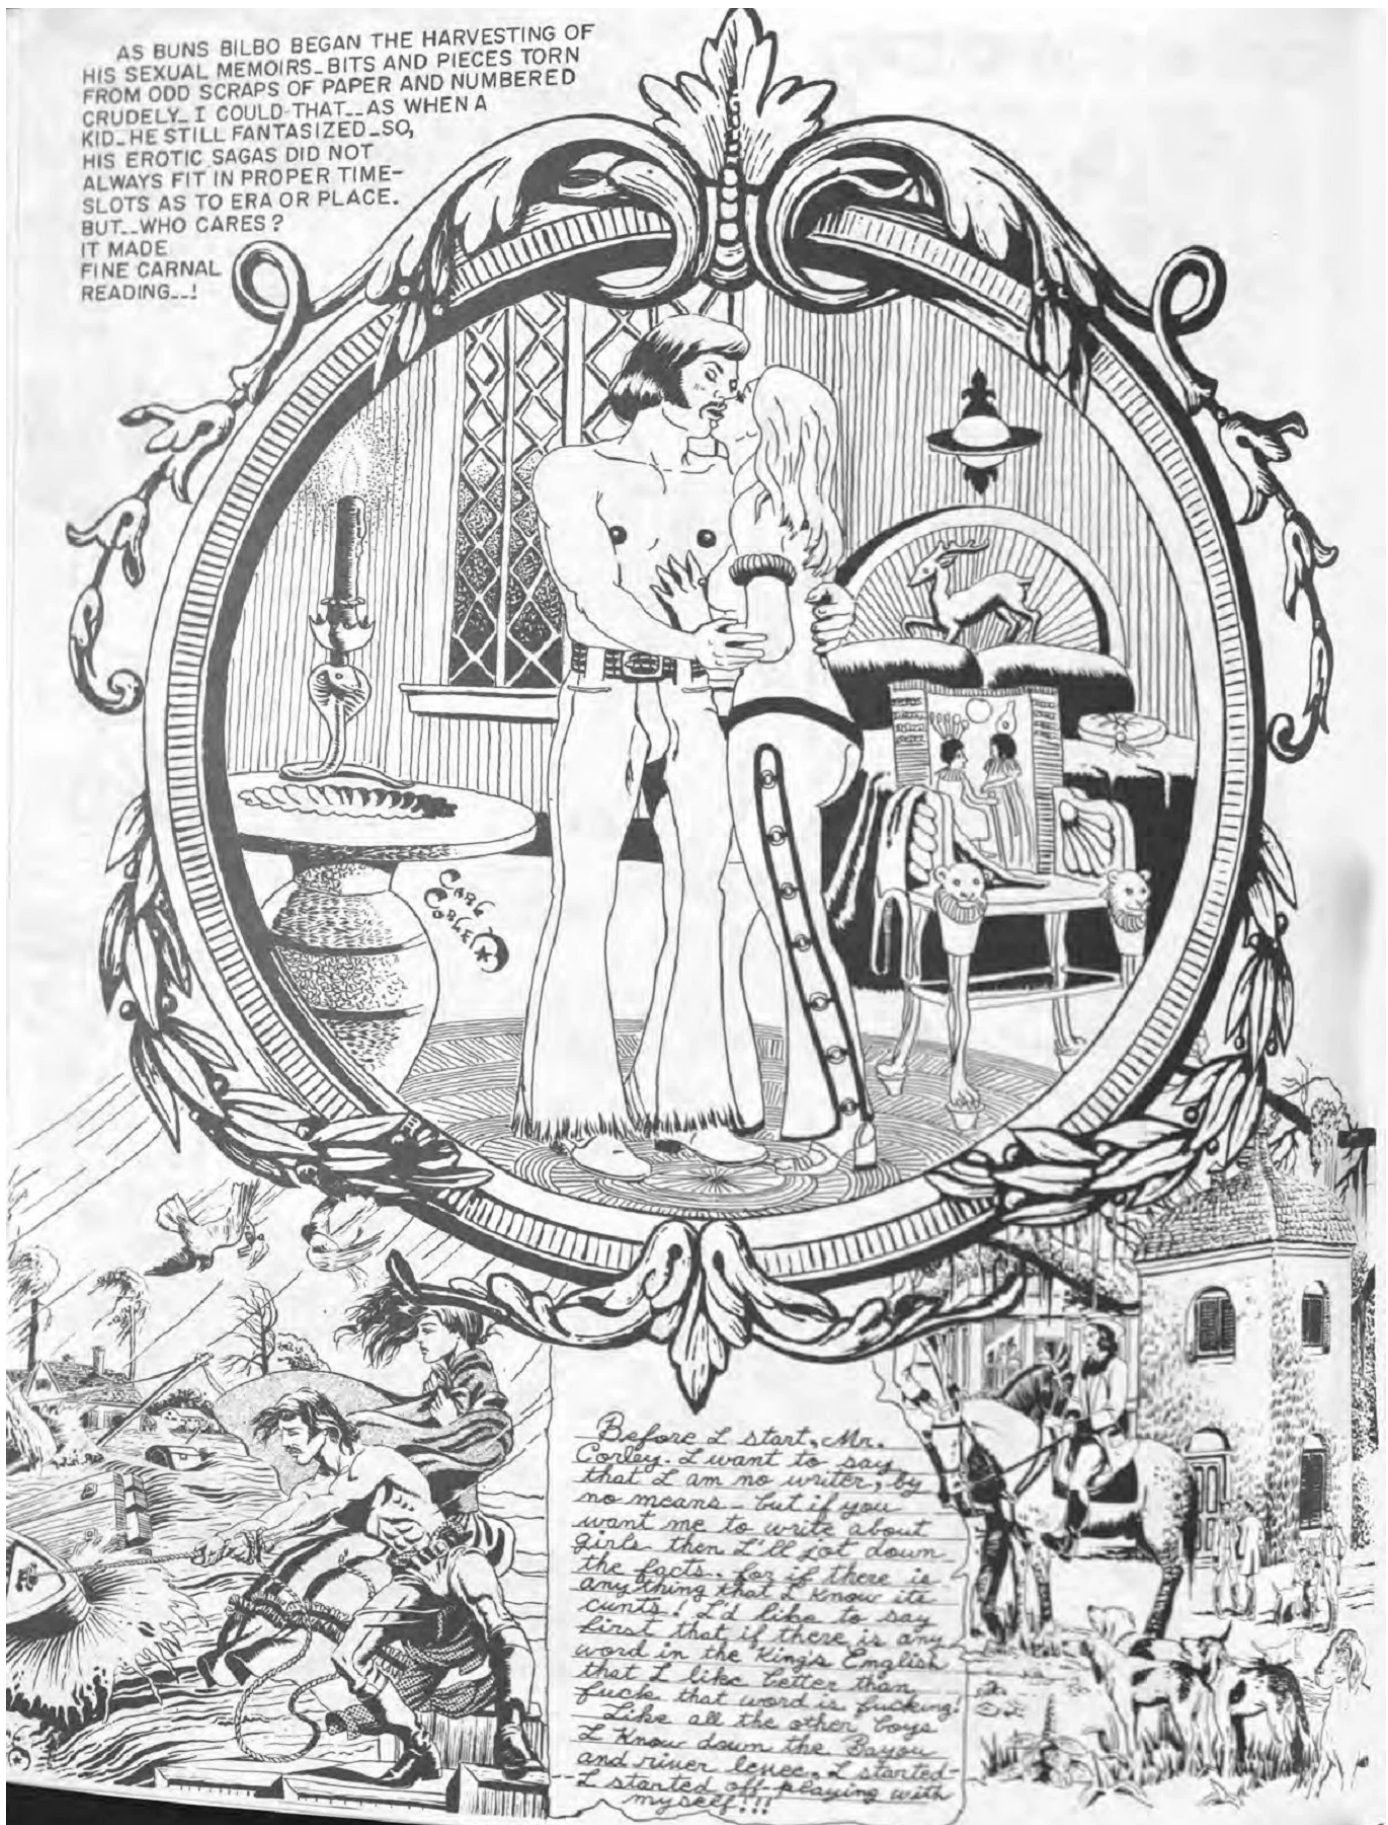

BUNS EXPRESSED HIS WISH TO WRITE HIS SEXUAL REPORT RATHER THAN RELAY IT EYEBALL TO EYEBALL! EXPLAINING WITH A BLUSH: "WHEN I'M ALONE I CAN RECALL PUMPING A CUNT JUST LIKE I WAS THERE DOING IT...SEE! LIKE GETTING THE SAME PIECE TWICE...GET WHAT I MEAN?" I DID, SO...I GAVE IN.

HE HAD SOMETHING IN THAT...I WAS LATER TO LEARN---

BUNS' HOME IN THE BAYOU WHERE HE WAS REARED -
FROM CORNCOBS TO SCENTED LAVENDER!

AS BUNS BIBLO BEGAN THE HARVESTING OF HIS SEXUAL MEMOIRS...BITS AND PIECES TORN FROM ODD SCRAPS OF PAPER AND NUMBERED CRUDELY. I COULD THAT...AS WHEN A KID...HE STILL FANTASIZED...SO, HIS EROTIC SAGAS DID NOT ALWAYS FIT IN PROPER TIME-SLOTS AS TO ERA OR PLACE. BUT...WHO CARES? IT MADE FINE CARNAL READING...!

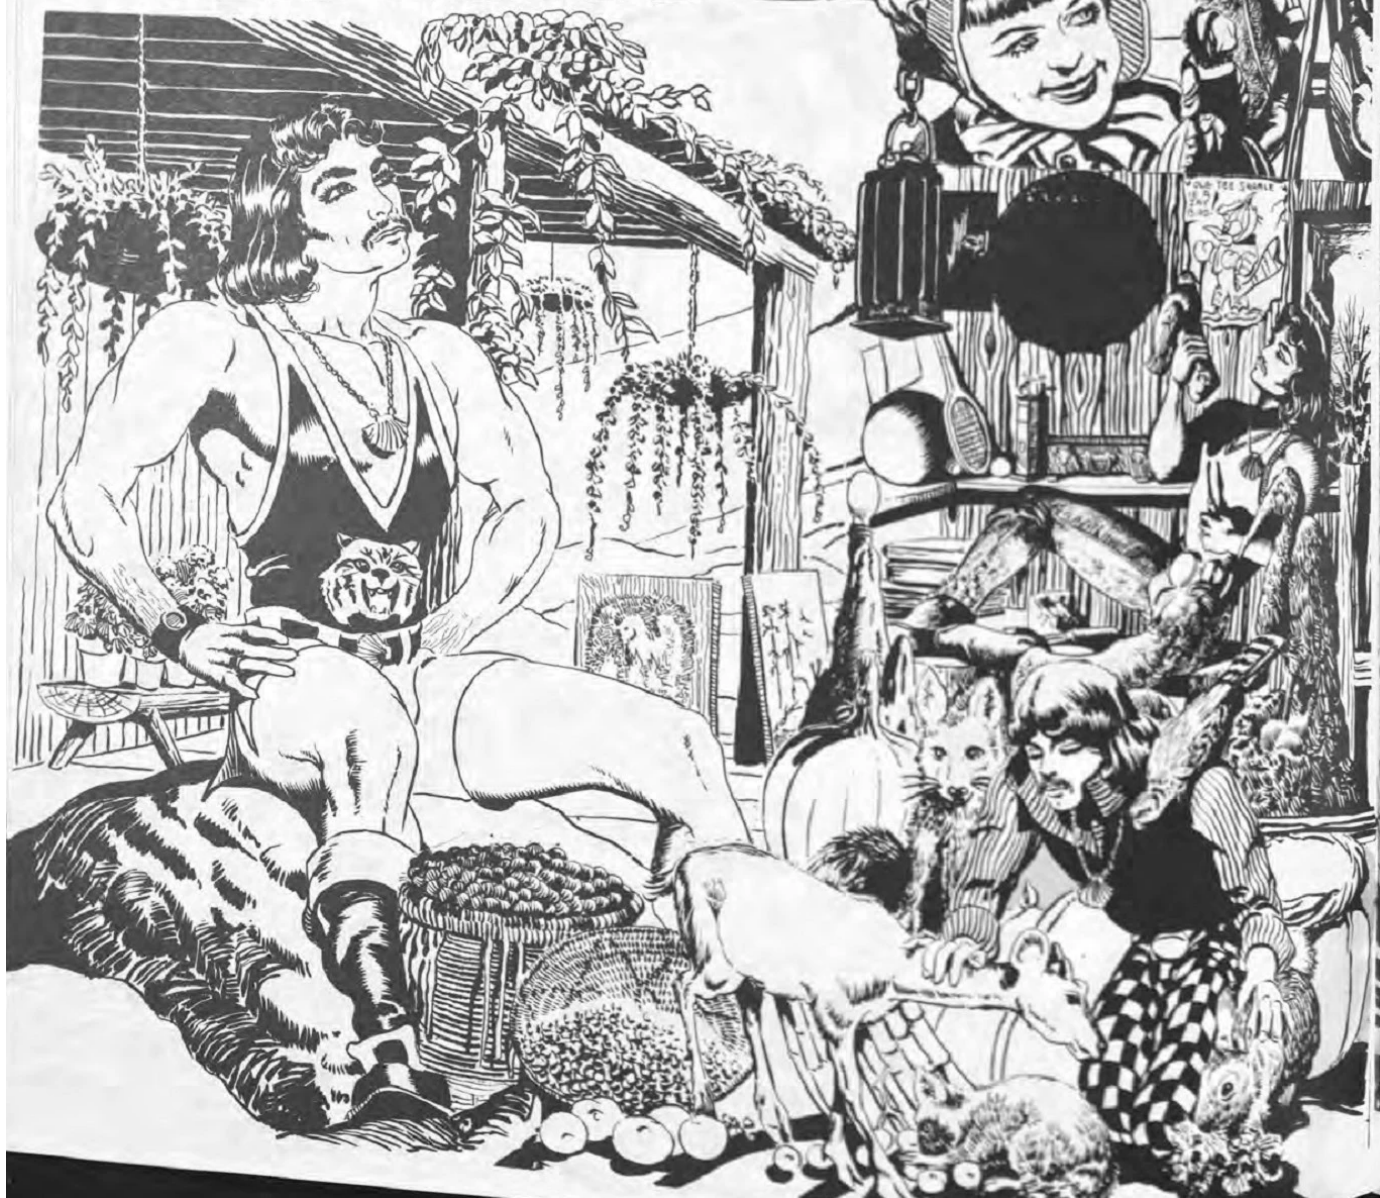

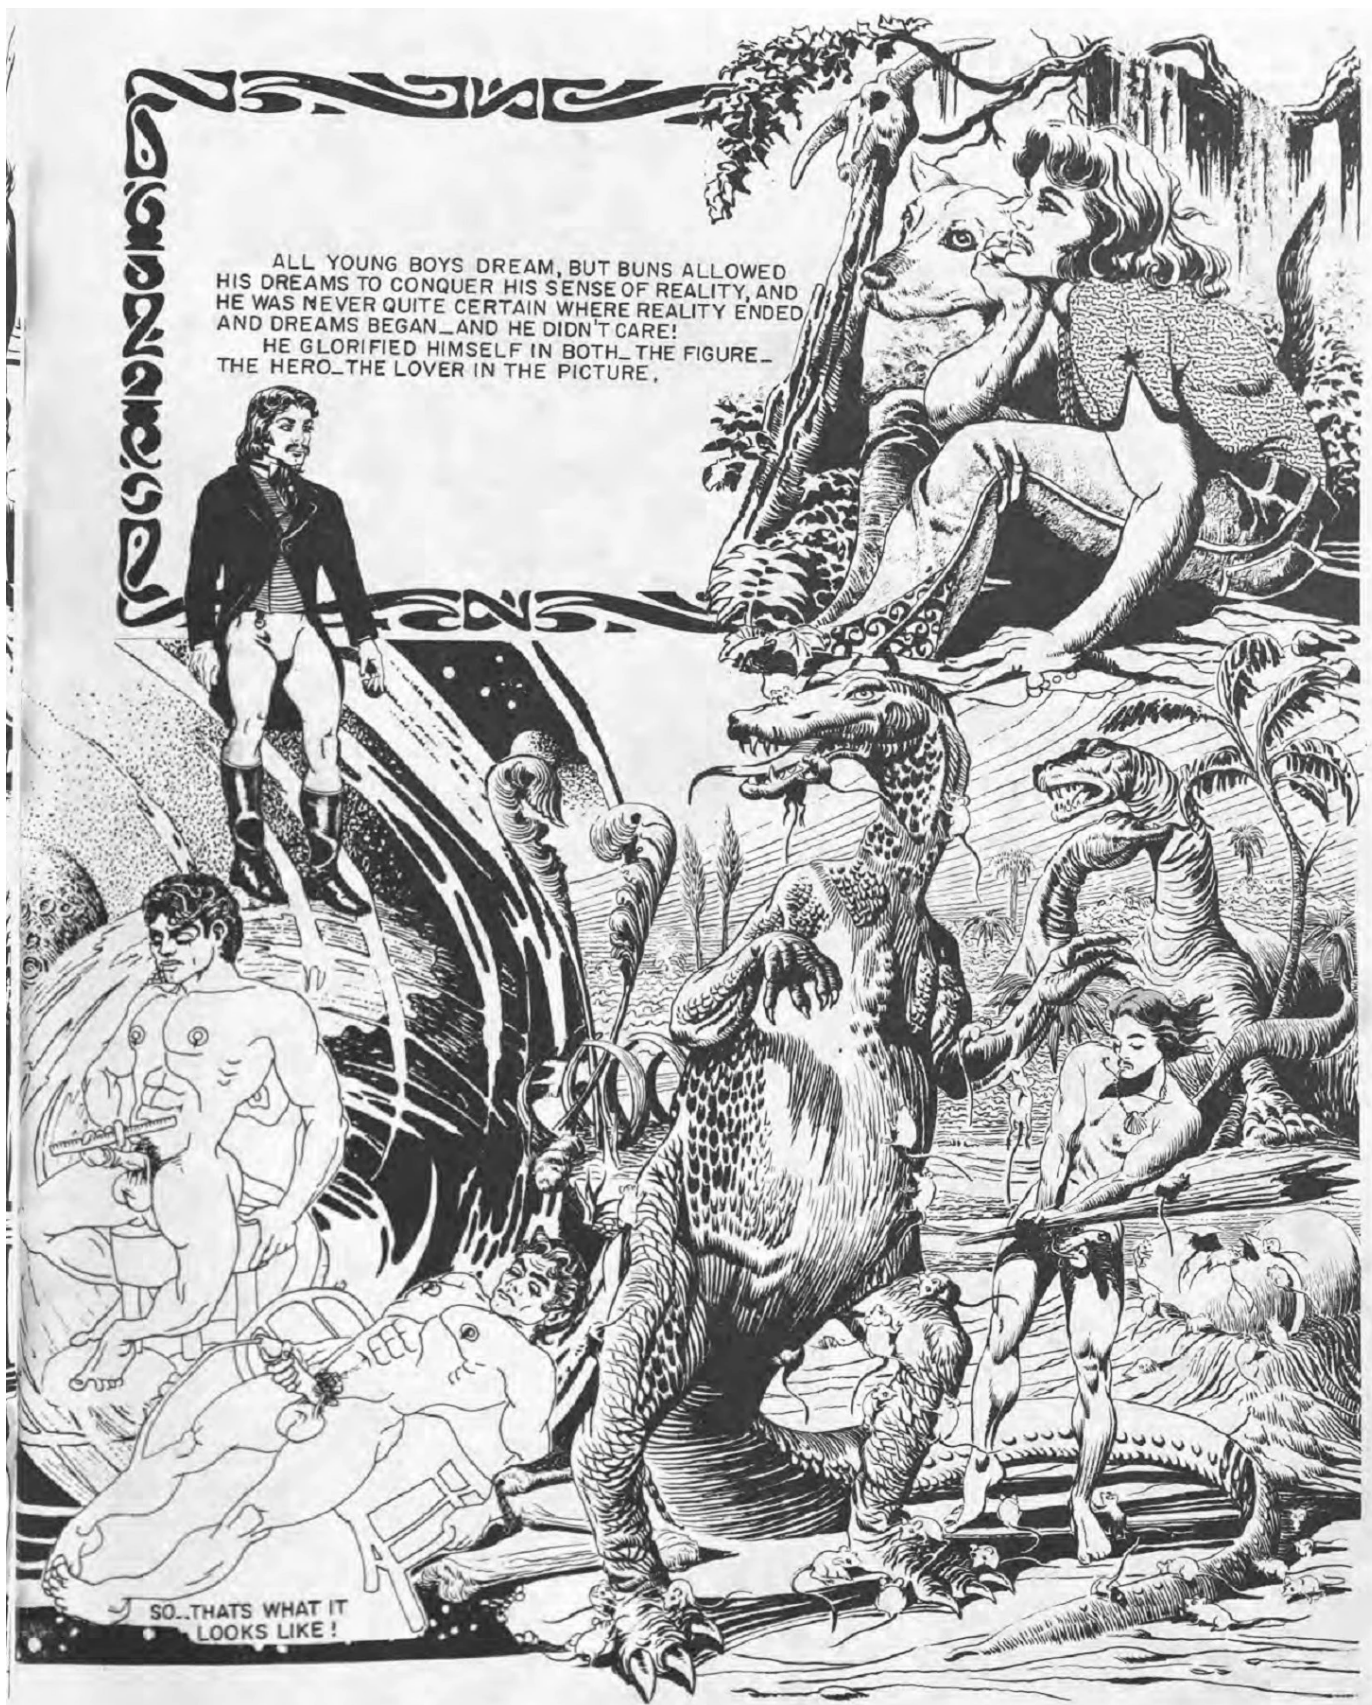

Before I start, Mr. Corley, I want to say that I am no writer, by no means - but if you want me to write about girls, then I'll get down the facts, for if there is anything that I know it's cunts! I'd like to say first that if there is any word in the King's English that I like better than fuck, that word is fucking. Like all the other boys I know down the Bayou and river levees, I started - I started off playing with myself!!!

HEAVEN IS NOT THE SAME HEAVEN FOR ALL---

BUNS CULTIVATED OR CONVERTED ONE TRUE FRIEND TO THE BEAT OF HIS DRUMMER MEL MELROSE, A STRAPPING YOUNG BUCK ALL BRAWN AND NO BRAINS, NOTHING IN THE DARKNESS AT THE TOP OF THE STAIRS! STRANGELY, THOUGH HE DREW GIRLS TO HIM LIKE A MAGNET, AND GIRLS HIS SENIOR BECAUSE OF HIS MATURITY, OLDER WOMEN WERE ATTRACTED TO SO WERE THE POP-SUCKING LOLITAS AND GUM CHEWING TEENYBOOPERS. IN FACT, HIS AURA DREW THEM ALL! TWO HE HAD A FONDNESS FOR ALL ANIMALS, TAME AND WILD, AND THEY FOR HIM BUT HE DREAMED THE DREAMS OF ONE POSSESSED...

NATURALLY BUNS HAD HIS "MAIN WOMAN" THAT ONE GIRL AT SCHOOL, LIKE OTHER BOYS. LIKE MEL MELROSE. BUT HIS MIND AND HEART DID NOT DWELL ON HER ALONE. MUCH TO HER DISTRESS. SO THEIR RELATIONSHIP LEFT SOMETHING TO BE DESIRED. BUT BUNS COULD NOT GIVE HIMSELF HONESTLY TO ANY ONE PERSON OR THING. EXCEPT DURING HIS SEXUAL FANTASIES AND SEXUAL ENCOUNTERS. THEN HE GAVE ALL, THE SELF-GRATIFICATION OF SELF!

THE LAST TIME I SAW BUNS HE AND HIS SIDEKICK WERE HURRYING DOWN ROYAL STREET IN NEW ORLEANS. WHAT WERE THEY DOING? CHASING TWO SKIRTS!

AFTER COMPILING THE EROTICA ON BUNS, AND RENDERING THE ART ON OCCASION HAVING HIM POSE FOR FACIAL EXPRESSIONS, THERE WAS ONLY ONE CONCLUSION TO BE DRAWN ABOUT HIM AS A MAN. THE PROTAGONIST IN MY STORY. EXCLUDING, OF COURSE, HIS RAVISHING AND SAVAGE BEAUTY, HIS CAJOLE. IS THAT BUNS GARLAND BILBO WAS THE ULTIMATE COCKSMAN...NUMBER 10!

MALE IS ONE SEX, THE FEMALE GENDER ANOTHER. BUT BUNS WAS BOTH. HE WAS A WHOLE SEX! YET... HE WAS A MANS MAN. HE WAS LIKED BY OTHER MEN. IN BUNS I SAW A LOT OF CONAN THE BARBARIAN, TARZAN, ROBINHOOD, GABLE... CHRIST! INDEED HE HAD THAT RARE AND PRECIOUS GIFT... LOVE! EVERYBODY LOVED HIM.

THIS IS BEBE BONBON'S TRUE STORY, AS HE TOLD IT TO ME —

Bebe Bon- bon

*The Cajun
Gnome*

I am a Snome—a wood Snome. I am 60 centimeters in height, one foot tall by human standards, and I weigh in at 4 gills—1 pint. My birthplace is in Digby, Nova Scotia, though my ancestors hailed from Toulouse. My name is Bebe Bonbon—French for “candy doll”—a name that has plagued me since birth. Snomes do not have surnames. The name Bonbon is the family idiom for all Snomes of French derivation. Bebe is merely for identification, and no two Snomes are given identical names. Official records are kept.

These extraordinary qualities, though a gift to all Snomes, is a predominant factor with the wood-gnome. We live in the wilds, the cones, and dells, among animals. Over the centuries we have adapted their remarkable senses and habits to add to our own. As an example: I am as strong as a human. I can lift a bale of hay- or, 500 pounds. I can outrun a lizard. Like the flea, I can jump 200 times the length of my body- the equivalent of a six-foot man bounding the length of a city block.

Male Snomes are ever conscious about good health and manly beauty. We regard our perfect, bone-structured forms with a passion bordering on idolatry- like the Greeks. To Gyoutefa! We hope one day to dispel mans notion that Snomes are gros grenouilles- pot-bellied frogs!

MUSHROOMS...AMONG MANY...
IS ONE OF THEIR PHALLUS
SYMBOLS. IF A GNOME
WAS ENDOWED WITH
A "MUSHROOM
KNOB" HE WAS
KING WITH
THE FALLEN
DOVES!

Gnomes live to be 500 years old, provided
they abide by the rules of Hygieia, Goddess of
health. Presently, I am 100 - a teen-ager - by
mans. measure of longevity. Wood-gnomes
have to be very careful - always playing
with their life - if they expect to live out
life's intended goal, due to rapacious
animals on the prowl to
mangle and destroy.
Dangereux!

GNOMES NEVER GREW TOO OLD
TO CRAVE SEX. THEY WERE
BORN WITH A
"RAM'S HORN"

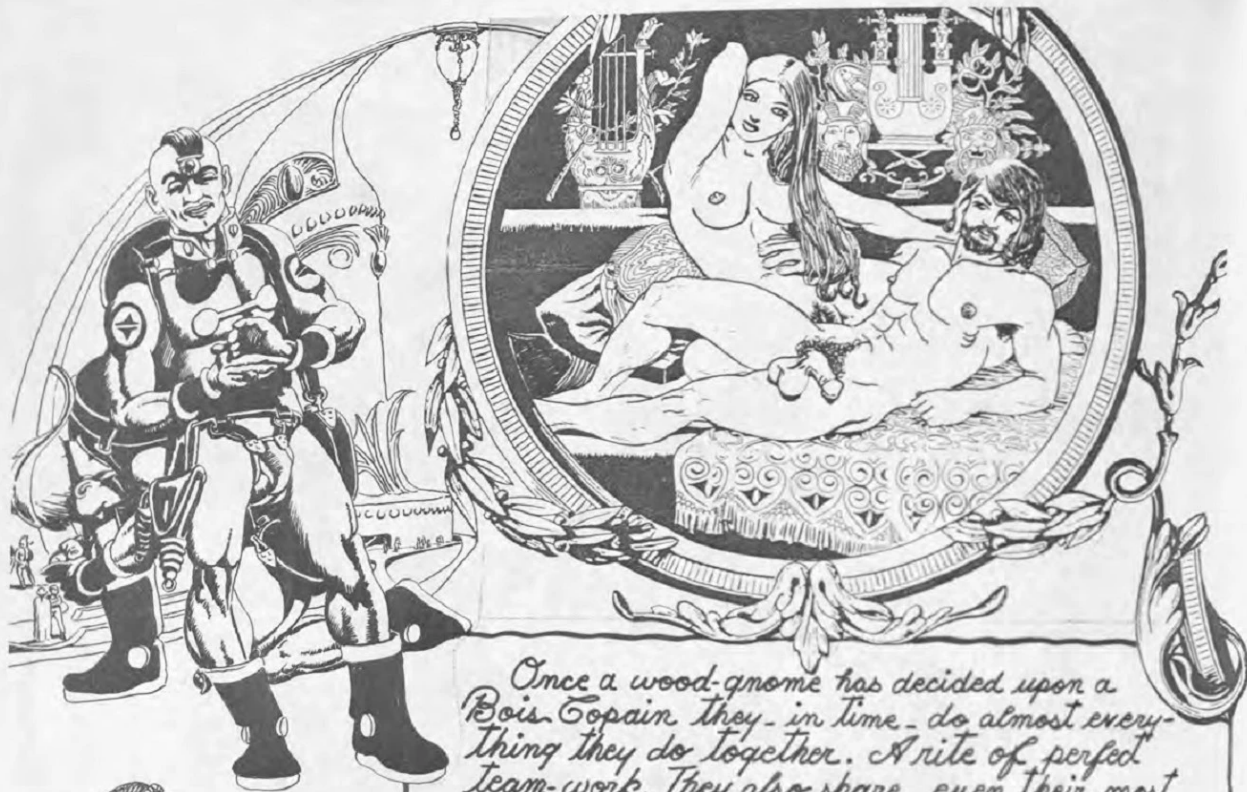

SNOW
TRILLIUM

Sex is the main-spring of any primitive life. Snomes being no exception to the most gratifying occupation. We over the aeons have created events to punctuate its importance. Puberty for one. When a male reaches manhood a festival is given in his honor: So we have many festivals! The oldest of male kin makes an indelible mark on the boy's face as a symbol of his puberty. This is later recorded in the book of Semealogy.

*Once a wood-gnome has decided upon a
Bois Copain they in time do almost every-
thing they do together. A rite of perfect
team-work. They also share, even their most
precious possessions,
and swap back and
forth like chevreaux.
It is also common
to swap females.*

EXHIBITION WAS A JOYFUL HABIT
WITH THE MALE GNOME, ESPECIALLY
IF HE HAD SOMETHING HE CONSIDERED
WORTHY OF EXHIBITION!

So it is only natural to Camper together.

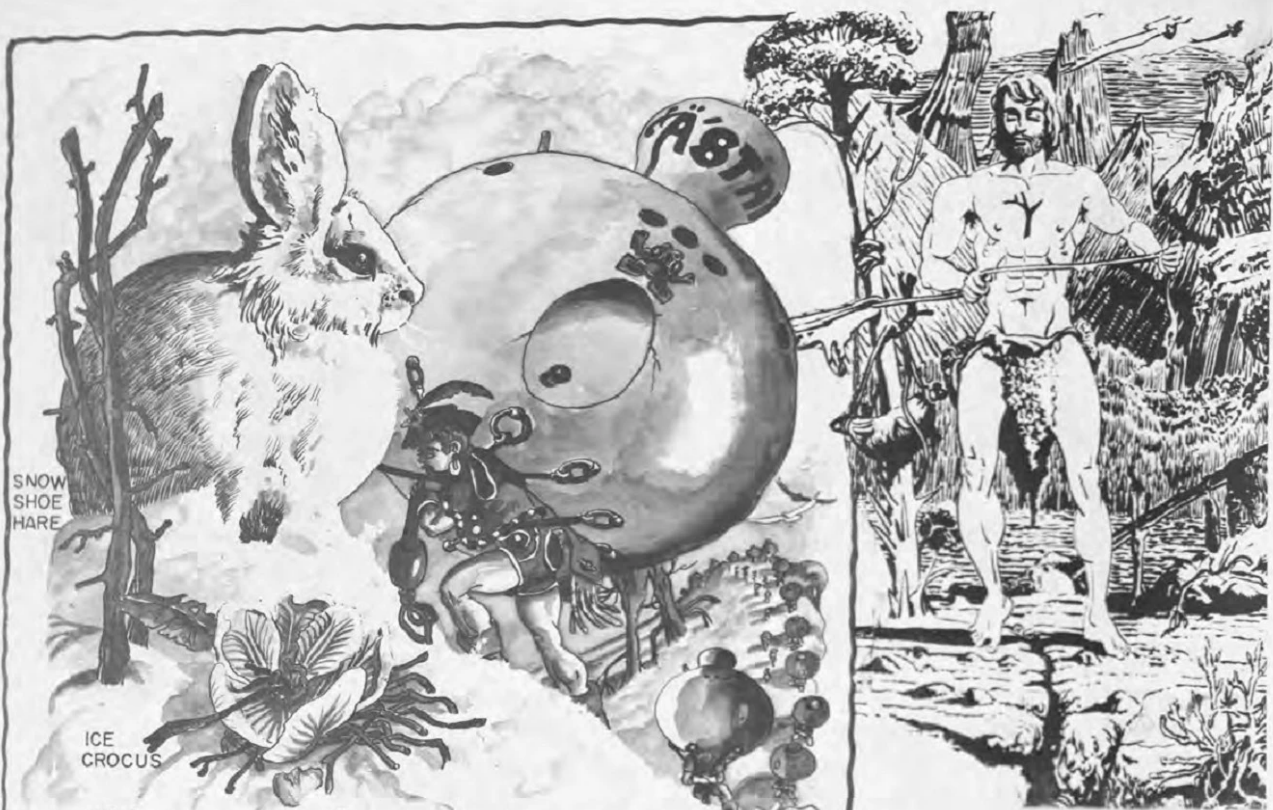

Encampments are momentary - like a circus - due to seasonal migrations. They are scattered, for protection. Gnomes, by nature, can never do the obvious. Nomadic, every male has his own private chateau, and will share it with no one, not even with his Bois Copain, except during an emergency. Females camp in the open.

THE AUTHOR'S NOTE:

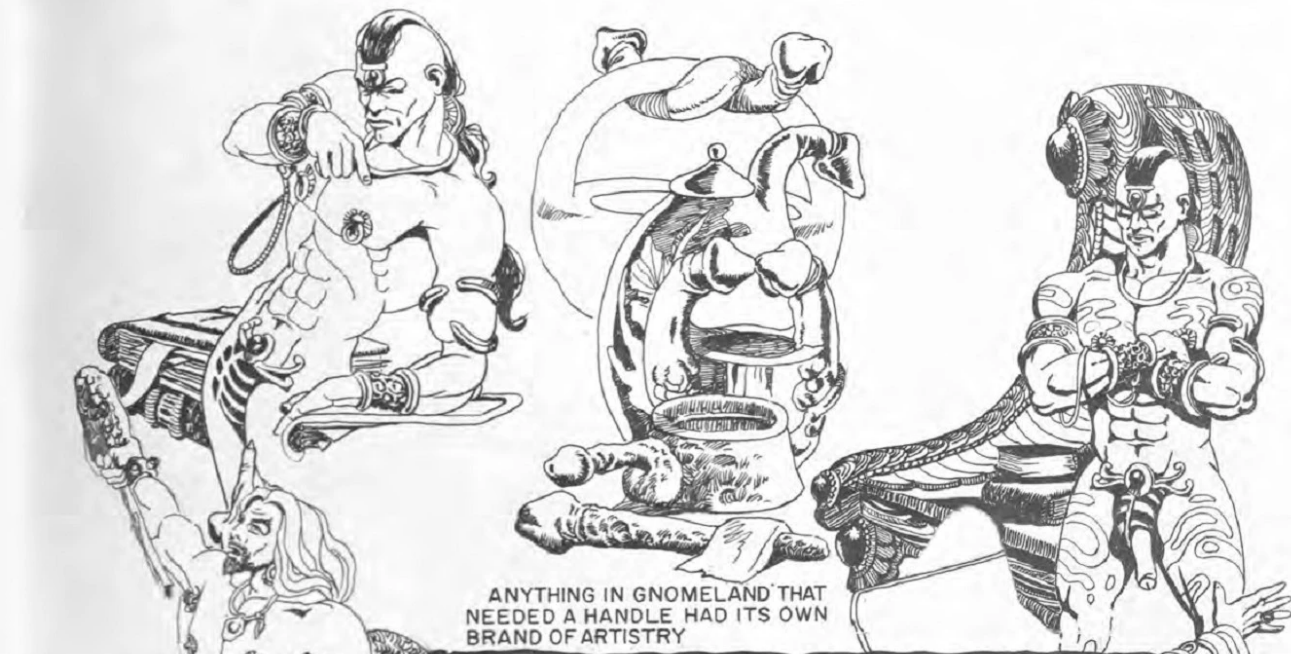

THE ONLY PERMANENT HOME OF THE WOOD-GNOME BEBE EXPLAINS TO ME LATER - IS THAT OF A GOURD, CUCURBITA, OF THE MELON FAMILY. IT STORES A GNOME'S EVERY POSSESSION, AND HE GUARDS IT RELIGIOUSLY. LIKE THE AFRICAN CAPE PENDULINE PIT THAT BUILDS ITS NEST WITH A FAKE ENTRANCE TO FOOL PREDATORS, SO DOES THE GNOME, TOO. LIKE THE SNAIL - HIS ABODE GOES WITH HIM.

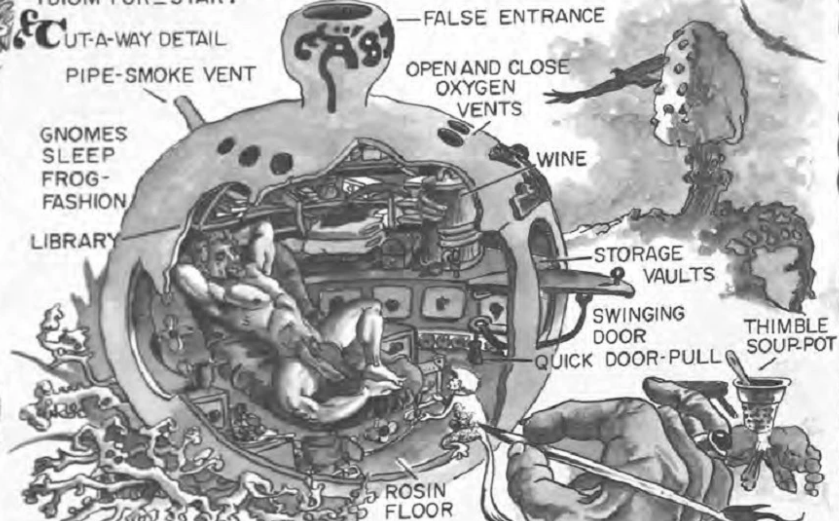

Wood-gnomes travel light - by our standards. But - like the ant - our lifting power far exceeds that of man. When an animal threatens our camp, or a human trespasses, we can strike camp at the snap of a finger, and within an hour put a half-league behind us.

ANYTHING IN GNOMELAND THAT
NEEDED A HANDLE HAD ITS OWN
BRAND OF ARTISTRY

BEBE BONBON'S CHATEAU... A RELIC THAT SHOULD BE EXHIBITED BEFORE THE WORLD... CINDERELLA'S PUMPKIN TURNED INTO A GOLDEN COACH... REMINDS ME OF THE NAUTILUS IN JULES VERNE'S 10000 LEAGUES BENEATH THE SEA. THOUGH A MERE DWARF-GOURD, IT IS AS COMPACT, AS COMPLETE AS A SPACE MODULE. SO LIKE A TURTLE, ITS PERFECT ARCHITECTURAL SPHERE SHEDS ANYTHING THAT FALLS, LIKE WATER ON A DUCK'S BACK. THE OUTER SHELL... LIKE ARMOUR, KEEPS THE INTERIOR COOL IN SUMMER, WARM DURING THE LONG CANADIAN WINTERS. IT IS AS SNUG, AS SECURE AND PROTECTIVE AS A HONEYCOMB, A HORNET'S NEST. IT IS LITTLE WONDER BEBE GAVE IT SUCH AN APPROPRIATE NAME... THAT OF A STAR... THE FRENCH IDIOM FOR... STAR!

*Mr. Corley forgot to add
one thing - my pet Marmoset
named Popit. a gift from my uncle
Vilvordereji from Central America.
So as not to embarrass the Author
I will add this bit myself.*

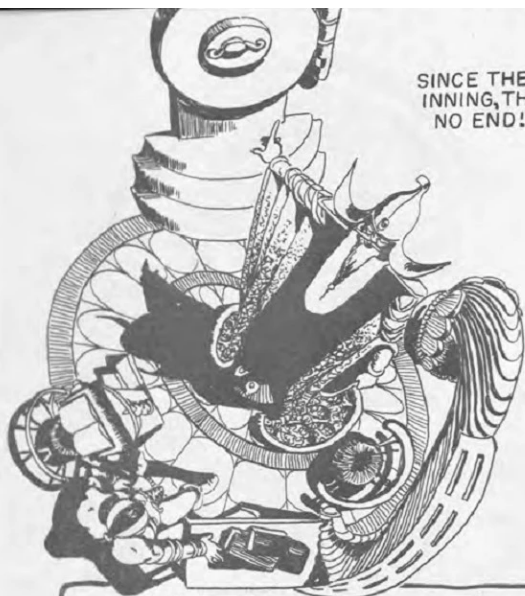

Male Enomes set up and enforce the laws of an encampment. They are few, but explicit. Indeed - They are sacred! Banishment from camp - usually - is the punishment. This, to a wood-gnome, is worse than death. He loses forever any hope of respect from his peers. He can never again re-claim membership to his tribe.

By nature, wood-gnomes are docile creatures. Their only display of violence is in their jealousy for a female. This brings on rage, and a duel, sometimes to the death. For this reason males are ever cautious of one another.

SINCE THERE IS NO BEGINNING, THERE CAN BE NO END! AN OATH!

YET...AN OATH PUSHED TO THE ABSURD WITH THEIR PHALLIC MONUMENTS

---POLE---UP---DOWN! UNDERSTAND? IF YOU WILL OBSERVE, MY PRIMITIVE COHORT, THE ANCIENT ARCHITECTS WHO DESIGNED THE PHALLICS ALWAYS LOCATED THE PORTHOLES ON THE TOP OF THE INNER STRUCTURES."

If a young buck lusts for a particular female, he simply takes her like an animal. This is expected. Unlike the alley cat, the female succumbs without a fight, though, on an occasion, she pretends. The tribe knows this - yet - the ritual reiterates itself with each mating.

THE EGG, LIKE THE MALE ORGAN, WAS ALSO MADE A SYMBOL, THE TEMPLE OF LIFE - PHYSICAL CREATION. BOTH WERE EVERYWHERE IN THEIR DOLL KINGDOM!

Jon Tue and myself crashed during a festive tournament held at Baddeck - the harvest honoring. There was a joust. He was my opponent, and we drew a tie. It was only natural that our souls melted and ran together like hot wax as we set the happy task of devouring our trophy - a jug of fermented May-apple vin.

WHEN IT CAME TO HAVING SEX...WHICH WAS OFTEN...GNOMES SWING BOTH WAYS. THEY WOULD HAVE SEX WITH ANYTHING THAT WAS WARM.

"THROUGHOUT HISTORY... ANY HISTORY... THERE IS ALWAYS THAT CERTAIN SOMEONE WHO WILL EVENTUALLY REAR HIS AMBITIOUS HEAD AND LOOK ABOUT HIM, AND FROM HIS OBSERVATIONS DETERMINES THAT THINGS CAN BE CHANGED, NEVER SATISFIED TO LIVE AND LET LIVE! THAT PERSON ALWAYS... INADMISSIBLY... WILL BE THE ONE WHO WILL ALTER HISTORY... WHO WILL DETOUR THE ROUTE OF DESTINY."

THE GNOMES, BOTH GRAND AND TRAGICAL, ALSO HAD THEIR PHALLIC SYMBOLS... GRACEFUL AND IDOLIC IN CHARACTER AND DESIGN, BUT, LIKE THEIR NATURE -- BEJEWELED AND BESPANGLED

The preoccupation with male beauty, by nature, lent itself to other diversions... mainly sex. Healthy, lustful, vibrant with life, male Gnomes are savagely fertile. Encampments are teeming with sex and procreation. A male wood-gnome cannot comprehend stupidie vie (a dull life!)

LUPINES

Female wood-gnomes have little, if anything, to say about the life-style within the encampment. They are regarded as chattel. There are only two functions in which a female is allowed participation with a male—dancing and sex. Capiteuse!

Though sustaining the underworld in a realm of palingenesis, a drawback to ancestral heritage when races regarded each other with savage contempt, the wood-gnome befriends one tribal comrade and only one. It is usually for life. This male bond is the strongest most profound emotion a gnome ever feels during his entire lifetime. Such a relationship is called Bois Copain or wood-buddy.

*My Bois Copain happens... by chance and

ancestors migrated to Cape Breton Island in
about the year 1000, or, about the time the human
Viking Thorfinn Karlsefni set foot in the new
